Therma-Tru is not a legal or tax advisor. The above information is not comprehensive and is not intended to substitute for the advice of a lawyer or professional tax advisor. Therma-Tru expressly disclaims any responsibility for determining whether or not a door purchase will qualify for the energy tax credit or whether or not a purchaser will receive the tax credit. Therma-Tru recommends that consumers consult their tax advisors and review IRS guidelines prior to purchasing any door product. For further details on the energy tax credit, check the IRS Web site.
